

# COLD DISPENSER

## CD 400

### TYPE OF MACHINE

Fruit juices concentrated

### CONTAINERS

|                  |                     |
|------------------|---------------------|
| N. of Bag in box | 4 ( 3 Lt max each ) |
| Drip tray        | 1 Lt                |

### TECHNICAL CHARACTERISTICS

|                     |                 |
|---------------------|-----------------|
| Compressor Gas type | R 134 A         |
| Peristaltic pump    | 30 Rpm          |
| Pressure regulator  | From 0 to 4 bar |

### DISPENSING TIMES

|                  |                         |
|------------------|-------------------------|
| Drink ( 200 ml ) | 6 sec. ( 540 Cups / h ) |
|------------------|-------------------------|

### CONNECTIONS

|                       |                                                     |
|-----------------------|-----------------------------------------------------|
| Voltage / Total power | [120 Vac - 240 W] or [220/240 Vac - 240 W] 50/60 Hz |
| Water connection      | 3 / 4 Gas                                           |

### FEATURES:

|                                    |                          |
|------------------------------------|--------------------------|
| N° of selections                   | 4 + Cold Water           |
| N° of preselections ( Type )       | 1 ( Caraffe )            |
| Concentrated Juice time            | Independently adjustable |
| Water time                         | Independently adjustable |
| Pulse dosing function              |                          |
| Multi price capability             |                          |
| Electronic drink counters          |                          |
| Automatic cleaning cycle           |                          |
| Drip tray sensor                   |                          |
| Drink water temperature adjustable |                          |
| PC or modem programming            |                          |
